Help Us Find You In An Emergency

The Barrington-Countryside Fire Protection District is offering a FREE Residential Fire Safety Program.

We are asking for your partnership to Help Us Find You in an Emergency.

Locating your home during an emergency saves precious minutes.

The BCFPD would like to visit your home to check accessibility, visible addresses/grid signs, and check any Knox Box keys on the premises to ensure they are working.

A typical visit would last from 15 to 20 minutes and the homeowner must be present. No fines or citations will be issued.

Please contact Fire Prevention Director Rob Martel to set up a visit from our firefighters 1-224-848-4860
